Setting the stage for an Outdoor Amphitheater in Preble County

The Preble County Historical Society has applied for, and been granted, a rare opportunity through the State of Ohio Capitol Budget that will provide matching funds to build an outdoor amphitheater on our property at Swartsel Road. Plans have been drawn, land has been cleared and now we are looking for the advice and guidance of local lovers of history & culture to help bring these plans to life.

One of our volunteers will be calling to schedule a date to discuss the project with you. Please indicate your areas of interest and a time that would work best for your schedule.

Please include info on:

- The Amphitheater Design
- Eco-friendly & "Green" Features
- Economic Development Impact
- Funding & Sponsorship
- Programming Opportunities
- Educational Benefits
- Maintenance Plans
- Partnership Opportunities
